

To whom it may concern

My name is Jija Sohn who works as a dance maker and performer in Amsterdam. I would like to support the podium to keep as a working space for artists. Since I graduated from De Academie voor Theater en Dans (ATD), Dansmakers Amsterdam has been supporting my work and I had created 2 works in this space. As a performance artist, we don't have so many rehearsal spaces where we can also test light and sound with full technical support. I hope that you consider giving Dansmakers rental subsidy.
